

WHY NOT ADD ON A BEAUTY TREATMENT?

FIJI SKIN CLINIC

ELLEEBANA LASH LIFT (48 hr patch test required)

If you like LVL lashes then you will LOVE Elleebana! Give your lashes a pick me up in just 45 minutes! The perfect solution for lovely long-lasting lash curves, this treatment works by curling the lashes from the root giving you the illusion of naturally longer lashes. No maintenance required and results last at least 6 weeks! Includes high quality tint on upper & lower lashes.

Cost: £44

Time: 45 minutes

LVL LASH LIFT (48 hr patch test required)

Using only your own natural lashes, LVL Lifts, adds Volume and Lengthens for a powerful but natural look. No maintenance required and results last at least 6 weeks! Suitable for all occasions and holidays. Includes Nouveau tint on upper & lower lashes.

Cost: £49

Time: 75 minutes

NOUVEAU - EXPRESS LASH FILLERS/CLUSTERS

Create bold, beautiful eyes with gorgeous lashes. Perfect for a special occasion or holiday without the need to infill. Simply remove after 2 weeks & replace with a full new set if desired.

Time: 30 - 45 minutes

NOUVEAU - EXTEND LASHES

For 24/7 powerful eyes Extend Lashes are for you. Get fuller, thicker, longer lashes with added volume. We offer a range of lashes to fit your mood, personality & style. Maintenance requires infills every 2-3 weeks, ideal for those desiring long term beautiful lashes over several weeks.

Time: 45 - 90 minutes

EXTEND FULL SET (90 mins)	£65
INFILLS (45 mins)	£37
INFILLS (60 mins)	£45

HD BROWS (48 hr patch test required)

The ultimate bespoke eyebrow experience. Each treatment starts with a full design consultation to discuss colour, shape, size and finish. We tailor blend our tints for the perfect match to compliment your natural colouring. A combination of hair removal techniques are used which include waxing, threading and tweezing to perfectly shape your brows. Finally, we use the latest finishing methods and products to give your brows that high definition finish.

Time: 30 - 60 minutes

*The original warehouse tint is still available, please ask a practitioner.

LYCON HOT WAX & LYCOJET WAX

We take our waxing one step further so you feel silky smooth & hair free for longer. Our two step process uses 2 different types of hot wax. Lycon Hot Wax to remove course hairs followed by the Lycojet Wax to remove all finer hairs that can often be left behind! This means that you will feel even smoother and the time between waxing will be longer.
